TO WHOM IT MAY CONCERN:

I have had the opportunity to work with Simon and his associates on several occasions over the past 15 years. On these occasions I assisted Simon with new prospects and in the setting up of pension programs for his clients.

I find Simon and The Consulting House staff one of the most reliable, thorough and client focussed benefits organizations in Toronto. They are committed to providing their clients with the best consulting advice possible.

I would not hesitate to recommend them to any Organization in the GTA area because of their confident, thorough approach to the benefits and pension marketplace.
